

ACC-2034

Diamond Plate Floor Cover

E-Z-Go RXV

Installation Instructions

Contents of ACC-2034 Diamond Plate Floor Cover:

- a (1 ea.) Upper Floor Cover (top of photo)
- b (1 ea.) Lower Floor Cover (bottom of photo)
- c (2 ea.) #10 x 1.5" Self Tapping Screws
- d (4 ea.) #10 x 1.0" Self Tapping Screws

**Caution:** Please read through the instructions carefully. Look behind each drill location BEFORE YOU DRILL. Installer is responsible for damage (i.e. drilling into a wiring harness, battery, fuel tank etc.).

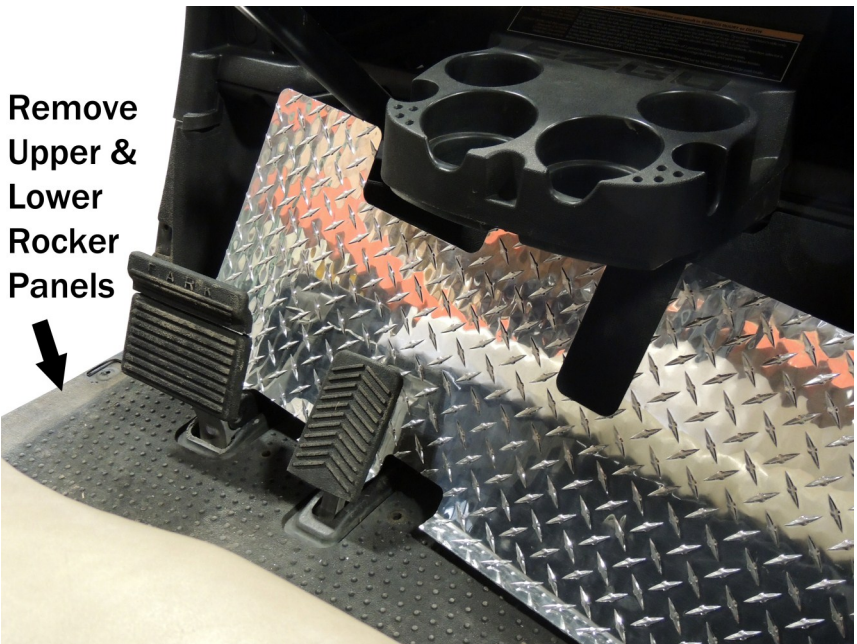

## Installation Preparation

1. Remove Driver and Passenger Upper and Lower Rocker Panels. Retain the hardware.
2. Remove the (4) Bolts out of the Steering Column.
3. Remove the Forward/Reverse Switch.
4. Remove existing Decorative Floor Cover (if any).
5. Clear any debris from the flooring.

## Diamond Plate Floor Board Installation

1. Identify the Upper Floor Cover. Align the Upper Floor Cover so the bend in the diamond plate is at the bottom.
2. Slide the Floor Cover right to left, under the Cup Holders and behind the Pedals.

**Note:** Holding up the Steering Column will allow more clearance.

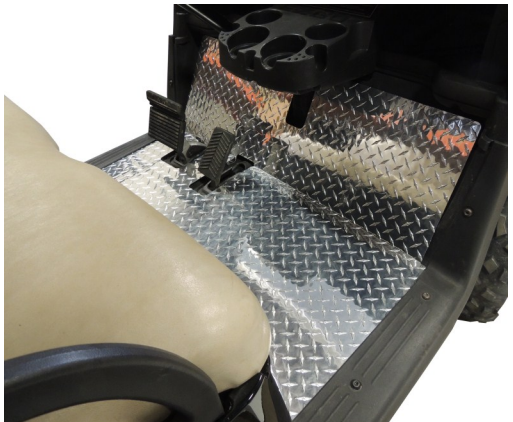

3. Identify the Lower Floor Cover. Align the Lower Floor Cover so the notches line up with the Pedals.
4. Completely lower the Floor Cover at an angle, under the Pedals. When in place, the Lower Floor Cover will rest on the lip of the Upper Floor Cover.

**Note:** Use caution not to scratch the body when adjusting the Lower Floor Cover.

5. Once both Floor Covers are aligned properly, reinstall the Upper and Lower Rocker Panels using the Original Hardware.
6. Use (2) #10 x 1.0" Self Tapping Screws to fasten the Upper Floor Cover at the top two corners.
7. Use (2) #10 x 1.0" Self Tapping Screws to fasten the Lower Floor Cover at the two corners closest to the seat.
8. Use (2) #10 x 1.5" Self Tapping Screws to fasten the middle seam between the Upper and Lower Floor Covers. Space screws evenly.

8. Reinstall the Bolts in the Steering Column.
9. Reinstall the Forward / Reverse Switch using the Original Hardware.

This completes the installation of your E-Z-Go TXT Diamond Plate Floor Cover. Please enjoy safely!
